**GOVERNOR'S ADVISORY COMMISSION TO CONSIDER TRANSPORTATION
ENHANCEMENT AND CONGESTION MITIGATION AND AIR QUALITY PROJECTS**

The Governor's Advisory Commission on Intermodal Transportation (GACIT) will meet on Wednesday, June 23, 2004 to review and consider projects recommended for funding by the Transportation Enhancement (TE) and Congestion Mitigation and Air Quality (CMAQ) Advisory Committees.

Transportation Enhancement projects can include facilities for bicyclists and pedestrians, scenic or historic highway programs, preservation of abandoned railroad corridors, control and removal of outdoor advertising, archaeological planning and research, and environmental mitigation to address and reduce water pollution due to highway runoff.

CMAQ projects can include transit services, ride sharing, improved traffic and demand management, and bicycle/pedestrian programs.

The June 23 GACIT meeting will be held at the Governor and Council Chambers, Chamber Room 207 State House, 107 North Main Street in Concord, beginning at 2:00 PM.
